

This is an opportunity to

- ◆ Support the Diamond Peak Ski Team
- ◆ Increase visibility of your business or organization
- ◆ Offer ski team members words of encouragement

When purchasing Chairback signs your message will be placed on our Crystal Express Quad chairlift. Diamond Peak Ski Resort has an average of 120,000 skier visits per year. Last year they topped that by having over 128,000 skier visits. Imagine the possibilities of having that much exposure.

All chairback sponsorship donations are tax deductible, the Diamond Peak Ski Education Foundation is a non-profit 501 (C) (3) organization.

SUPPORT THE
DIAMOND PEAK SKI TEAM

The Diamond Peak Ski Education Foundation prides itself in offering quality ski programs, on all levels, to our community and surrounding areas. Funds raised through our Chairlift Signs help maintain the quality of our programs, coaching, and equipment. Through fundraising, we can continue to provide affordable programs by keeping our tuitions low. Children that would not normally have an opportunity are given a chance to participate in our program. Their experience with the team helps them develop a love and appreciation of snow sports.
